

Singing with holiday spirit

PEWAUKEE — On Dec. 8, Christian Education Leadership Academy 3K-5th students gathered to perform pieces that they worked on in music class. The concert began with a combined ensemble of orchestra and band members playing “Silent Night” and the students walking in pairs while holding candles. Each grade and group went up to proclaim the Good News of Christ’s birth through different songs and Scripture. The night ended with all students coming together and singing about the joy of Christmas.
