Seventh-grade class at CELA studies Renaissance

PEWAUKEE — Seventh-graders at Christian Education Leadership Academy (CELA), W262-N4685 Ryan St., are in a Medieval History class.

This week, the students traveled to Renaissance Florence, they visited Leonardo Da Vinci's workshop, and read his secret mirror writing, and students went shopping with florins at the Mercato Nuovo.

The seventh-graders also learned real politik from Machiavelli, they helped Brunelleschi make the most famous dome of the Renaissance for the cathedral, they attempted to sculpt David's eye in the style of Michelangelo and learned how to paint in a three-dimensional style from Botticelli.
