*"Trust in the Lord with all your heart and lean not on your own understanding." -Proverbs 3:5*

### From the Desk of Mrs. Grindatti...

Thank you to all of our families who joined us for parent teacher conferences over the last two weeks. It is so important for our children that we are all on the same page and working together to help them reach their full potential. At CELA we know that family involvement and engagement is critical for student learning and growth and working together as a team models to our children the importance of learning and their overall education! Our teachers will continue to communicate with you about your child's progress and we ask that you continue to support your children at home and communicate with us any questions or additional information that would be helpful to us in teaching your child.

*Train up a child in the way they should go, and when they are old they will not depart from it. - Proverbs 22:6*

### CVLD Homework

CVLD homework will be discussed in CVLD class every Thursday. Completing CVLD homework with your child/children is an amazing opportunity to discuss at home the CVLD values we are learning about in school. Please take time each week to help your child learn more about the CVLD values we are studying. Your child will receive a paper copy of the CVLD homework each week. Along with the paper copy, an electronic copy will be emailed to you. Teachers may have the homework due before Thursday, so please check with your child’s home-room teacher for the due date.

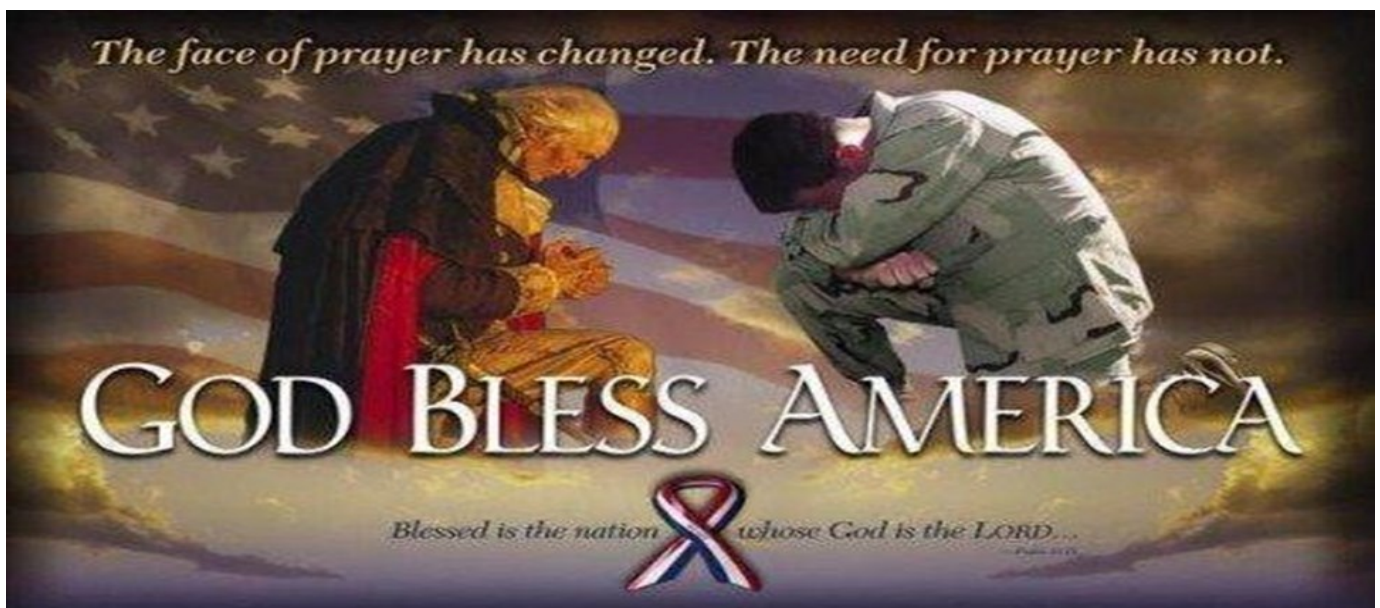

**Please join us as we honor our Nation's heroes  
in a special student-led  
Veterans Day Chapel Service.**

**Wednesday, November 8<sup>th</sup> at 8 A.M.**

# CELA PRIDE CLASSROOM LEARNING

## 3K Art

The 3K class made collages this week in art class. Their favorite materials were jewels and feathers, of course!

## 4K

In 4K we learned all about our five senses that God blessed us with. We went on a scavenger hunt using our five senses and got to do a taste test activity trying something sour, sweet, salty, and bitter.

## 5K Spanish

The 5K students used finger puppets to learn their numbers, to the "5 Little Monkeys" song in Spanish class!

## Leadership I Class

The Leadership I class is currently working on a unit about how we gain our morals and values as leaders and how to live those out. Students participated in an activity where they received slips of paper with various accomplishments, successes, abilities, or achievements. They had time to buy, sell, and trade these values, and at the end of 5 minutes, they could see what they ended up with. This gave them a unique opportunity to consider and reflect on what values are the most important to them and why.

## 5th Grade

The 5th graders have been learning about Native Americans across the country. On Tuesday they shared their Native American Projects with the other classes and their families!

## 2nd, 3rd, 4th Grade Spanish

The 2nd, 3rd, and 4th graders displaying their countries project for Hispanic Heritage Month!
