*"Trust in the Lord with all your heart and lean not on your own understanding." -Proverbs 3:5*

### From the Desk of Mrs. Grindatti...

How in the world is Thanksgiving already less than two weeks away? So far this school year is flying by. During this month of Thanksgiving, I want to share with you my deepest gratitude for the families of CELA. The staff here are constantly talking about how amazing and supportive our families are and how thankful we are for you and your precious children. This Thanksgiving we thank God for all the blessings he has bestowed upon us here at CELA. His faithfulness is so apparent every day as we continue to grow and see Him working in all things. Thank you for trusting us with your children, we don't take that responsibility lightly and pray every day for God's guidance in all that we do. Happy Thanksgiving!

*Train up a child in the way they should go, and when they are old they will not depart from it. - Proverbs 22:6*

Our students did a phenomenal job on Wednesday for their student-led Veterans Day Chapel. We witnessed the power of unity and gratitude as students shared their prayers, poems, and sang. A huge thank you to all the brave men and women who have served or are serving our country. Thank you to all the families that joined us!

This week our students will study

## Grace

*“But Noah found grace in the eyes of the Lord.”*

Genesis 6:8

## CVLD Homework

CVLD homework will be discussed in CVLD class every Thursday. Completing CVLD homework with your child/children is an amazing opportunity to discuss at home the CVLD values we are learning about in school. Please take time each week to help your child learn more about the CVLD values we are studying. Your child will receive a paper copy of the CVLD homework each week. Along with the paper copy, an electronic copy will be emailed to you. Teachers may have the homework due before Thursday, so please check with your child's home-room teacher for the due date.

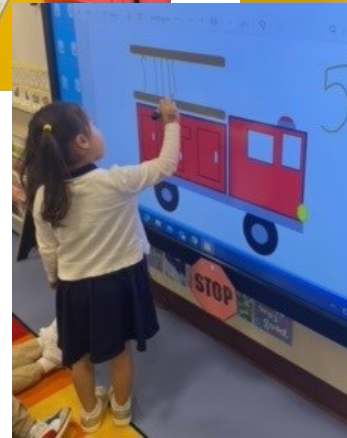

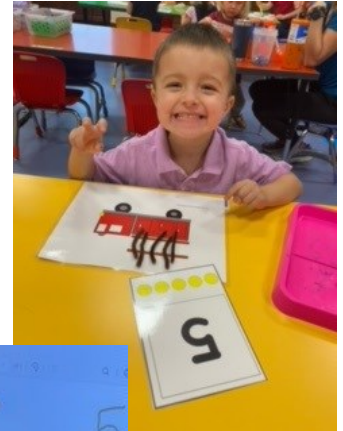

# CELA PRIDE CLASSROOM LEARNING

## 3K Math

During letter "F" wee, 3K used fire trucks to build number literacy. Matching numerals to their quantities was done through hands on activities and technology, helping to create strong early number sense.

## 4K

In 4K we learned all about our five senses that God blessed us with. We went on a scavenger hunt using our five senses and got to do a taste test activity trying something sour, sweet, salty, and bitter.

## 5K Spanish

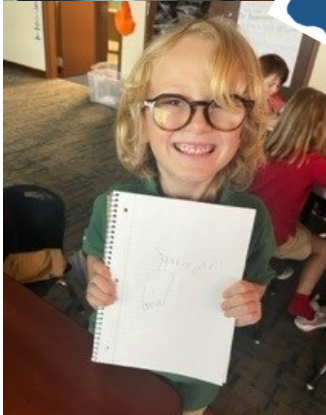

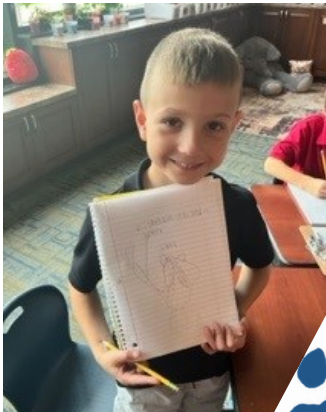

The 5K class learned their colors in Spanish by playing a game of slapjack with paint chips.

## 1st Grade Science

The 1st graders had to draw a made-up animal and show how it used different parts to get water, food, and air.

## MS History/Science/Geography Bee

The middle school students participated in a History/Science/Geography Bee last week! They did a great job answering some pretty tough questions!

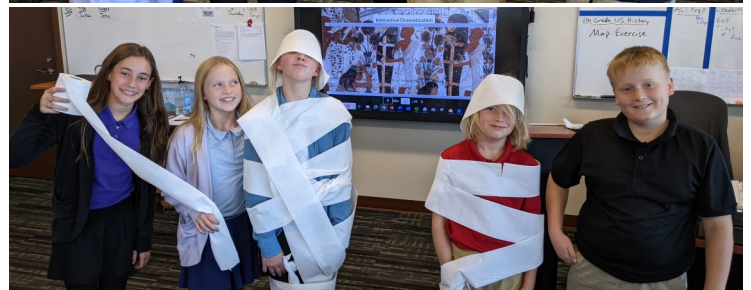

## 2nd, 3rd, and 4th Grade

The 3rd and 4th graders helped the 2nd graders learn how to do Mad Minutes, which is a daily timed math fact practice. They were great teachers and the 2nd graders did a fantastic job their first time around!

## MS 6th Social Studies

The 6<sup>th</sup> graders recently acted out the life of Ancient Egyptian priests and priestesses as part of the chapter on the social classes of Ancient Egypt. They taught the class about the complicated process of embalming mummies as well as the many other tasks that priests had. They even greeted the class in the language of Ancient Egypt!
